

## CS310 Project Step 2.1:

1-This is the login page of the app. Our app's unique feature is only university students with .edu mails can access. But since this is only demo, I added a feature to access app without registering(Skip Demo Mode).

2-This is the main page you get after the login screen. You can see a bottom navigation bar below the page. Also you can see the trending movies across students and cover picture, rating about the movie(for here they are not applied yet). Finally from this page you can go to the event planning page.

3-Here is the “Browse” page. You can filter movies as genres and order them to your preferences. Here you can also click or just look at the movies.

The screenshot shows a dark-themed movie database interface. At the top, there are two dropdown menus: 'All Genres' and 'Highest Rated'. Below them, it says '9 movies found'. A list of movies is displayed in cards:

- The Dark Knight** (2008) - Rating: 4.9 (203 reviews), Genres: Action, Crime
- Inception** (2010) - Rating: 4.8 (156 reviews), Genres: Sci-Fi, Thriller
- Interstellar** (2014) - Rating: 4.7 (178 reviews), Genres: Sci-Fi, Drama
- Everything Everywhere All at Once** (2022) - Rating: 4.7 (167 reviews), Genres: Sci-Fi, Comedy

At the bottom, there are navigation links: Home, Browse (which is highlighted), Chat Groups, and Profile.

4-Here is the movie specific page. For every movie in the system you have a unique page for it. You can access this page from just clicking on the movie from main page or browse page. You can also go to rate and comment page and view students reviews page.

The screenshot shows the movie details for "The Dark Knight".

**The Dark Knight** (2008)

Action, Crime

Student Rating: ★ 4.9 / 5 (Based on 203 reviews)

**Synopsis**

When the menace known as the Joker wreaks havoc and chaos on the people of Gotham, Batman must accept one of the greatest psychological and physical tests of his ability to fight injustice.

**Rate and Comment**

**View Student Reviews (203)**

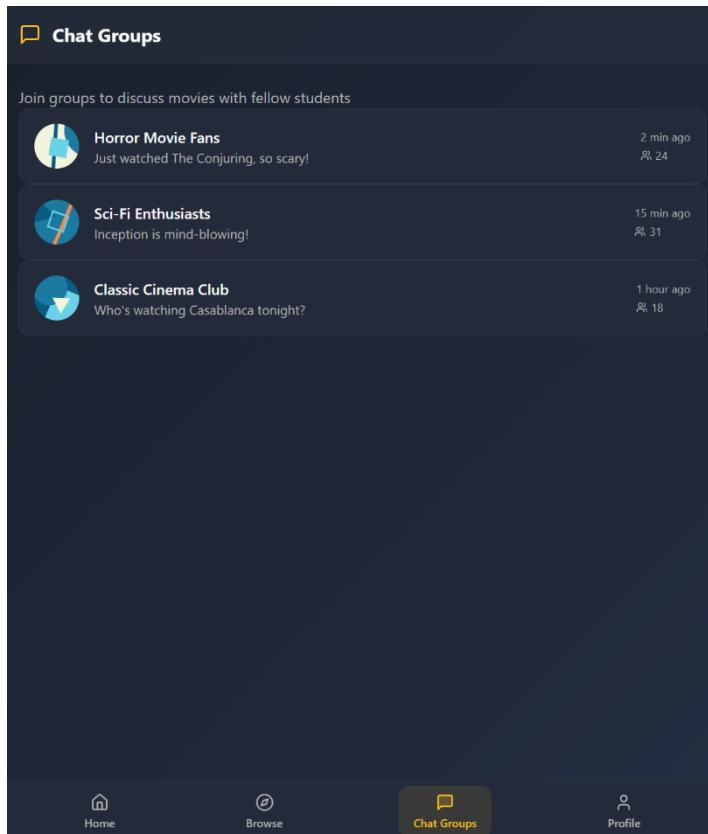

5-Here is the Rate and Review page. You can access this from the any movie's specific page. You can rate and leave a comment.

The screenshot shows a dark-themed 'Rate & Review' form for the movie 'The Dark Knight'. At the top left is a back arrow and the title 'Rate & Review: The Dark Knight'. Below this is a section titled 'Your Rating' with five empty star icons. A large text input field below is labeled 'Your Review' and contains the placeholder 'Share your thoughts about this movie...'. It also shows '0/1000 characters' remaining. A prominent yellow button at the bottom right is labeled 'Submit Rating'.

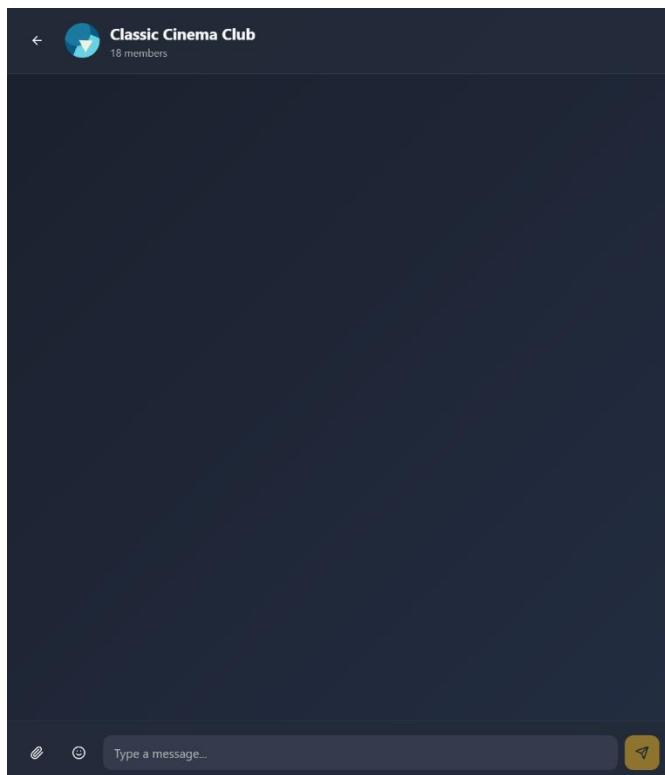

6-this is the Reviews page. You can see other student's reviews. It is empty for demo purposes.

The screenshot shows a dark-themed 'Reviews' page for 'The Dark Knight'. At the top left is a back arrow and the title 'Reviews: The Dark Knight'. Below this is a message in a box stating 'No reviews yet. Be the first to review!'. A yellow button at the bottom right is labeled 'Write a Review'.

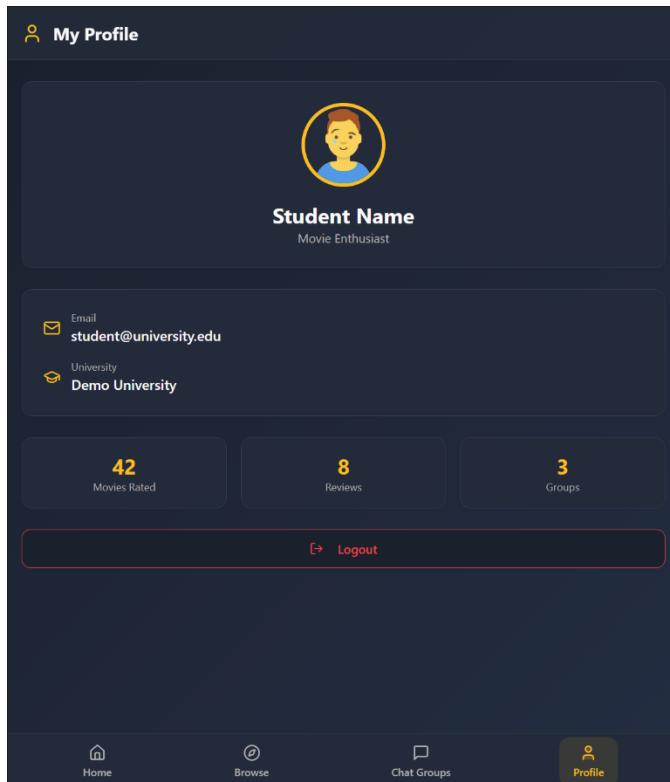

7-Here is the Chat Groups page. You can access it from the bottom navigation bar. Here you can join a chat group to your liking and socialize.

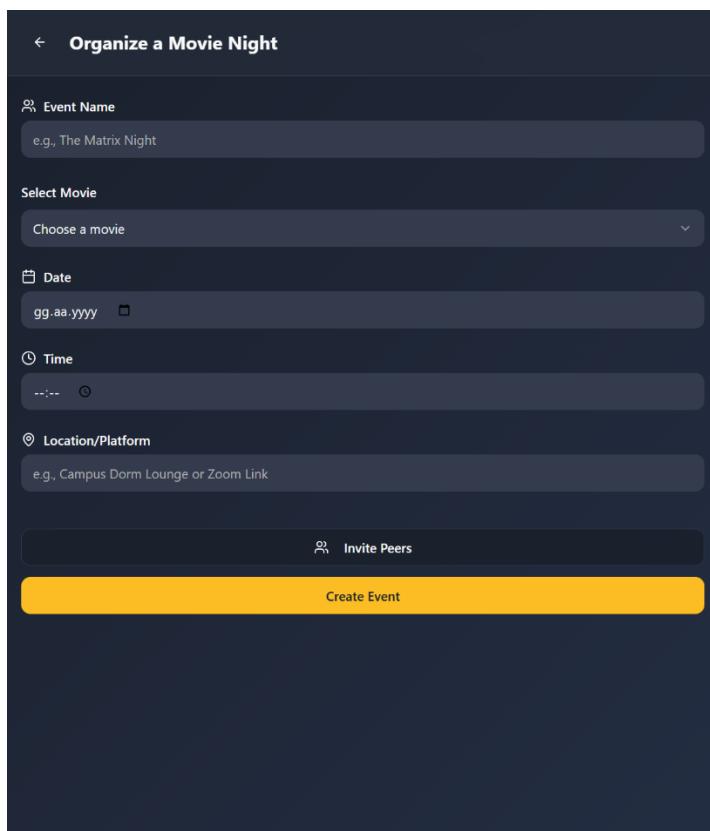

8-Here is the Chat page. It is unique to every chat group. You can access it by simply clicking in Chat Groups page.

9-This is the Profile page. You can access it from the bottom navigation bar. You can see your information and interactions. You can also logout.

10-Here is the Event Planning page. You can Access it from the Main page. You can create events and invite your friends.

## **Note:**

This is the Wireframe that we planned but this is just a demo. Some features or looks of some pages might change a bit when developing.
